

30-Day New Testament Reading Plan

A free gift from Bible Empire Kampala

This plan walks you through the heart of the New Testament in 30 days. This is a manageable pace of just one short reading per day. Whether you're starting a new devotional habit or returning to scripture after time away, this is a simple, no-pressure way to build consistency.

Tip: read at the same time each day (morning tea, lunch break, before bed). Pairing it with an existing habit makes it easier to stick with.
